

ANNOUNCEMENT ON ELECTIVE FOREIGN LANGUAGE PREPARATORY SCHOLARSHIP APPLICATIONS IN IBN HALDUN UNIVERSITY

Applications will be received for our graduate students who will apply for the Elective Foreign Language Preparation Scholarship. Students who qualify for the Scholarship will start taking foreign language courses in the second year of their education.

Among the students who are entitled to the scholarship, those who have assistantship obligations are expected to fulfill these duties at the same time. For this reason, the assistantship duties that will be given to them during the preparatory program will be determined in such a way that they do not interfere with their lessons. Students who qualify for the scholarship are expected to reach at least B2 level at the end of the one-year program. Current scholarships and assistantship obligations of students who reach this level at the end of the program are extended during their thesis studies in the additional period given to them in their 3rd year. Otherwise, they have to pay tuition fees to renew their registration.

Those who would like to apply for the scholarship, can do this by submitting the necessary documents to the department secretariat personally or by e-mail between 12-20 August 2024. The applications will be evaluated by the Scholarship Commission in September, and the proposals for the candidates who are found eligible to be awarded within the framework of the determined quotas will be submitted to the University Administrative Board. Students who are entitled to receive scholarships for the 2024-2025 academic year with the decision of the University Administrative Board will be informed by the secretariat of the department.

Elective Foreign Language Preparation Scholarship Application Criteria:

- Being registered in a master's or doctoral program with thesis,
- To have successfully completed all the program courses in the semester indicated in the curriculum at the latest,
- Having a cumulative grade point average of 3.75 and above or being in the top 10% of success in their own program.

Documents Required for Application:

- Application petition,
- Transcript,
- Letter of intent stating the purpose of the application.
