THE HONOURS PROGRAM CODE OF PRACTICE

1. The students who successfully complete 4 Classical Arabic and 8 of the elective courses that are in the pool of Honours Program courses during their undergraduate studies along with the departmental curriculum courses are awarded the Honours Program Certificate.
2. The Honours Program is designed as a two-staged program and the students who succeed in the compulsory Classical Arabic and two elective courses are entitled to receive a 1st Level Honours Program Certificate.
3. Among the courses of the Honours Program, those that can be taken within the scope of primary major can be substituted for Honours Program course load; however, those students must take at least six elective courses apart from their primary major curriculum.
4. In cases where the courses to be taken for double major and minor programs overlap with those of the Honours Program, these courses can be used for both programs.
5. Those who submit a valid Arabic Proficiency certificate at C1 level or who succeed in the exemption exam are exempted from compulsory Classical Arabic courses.
6. The Honours Program Certificate can be applied at any semester in the undergraduate program, on the dates specified in the academic calendar. In order to apply, it is necessary to successfully complete the preparation program and to have a minimum of 3,00 GPA for those studying in the undergraduate program.
7. The Coordinatorship of the Honours Program receives the applications. The list of students who meet the application requirement is submitted to the University Board and those are deemed the Honours Program students with the University Board of Directors' decision.
8. As in the undergraduate programs, attendance is compulsory at the rate of 80% in the Honours Program.
9. Since the success in the primary major is principal, the students whose primary major GPA falls below 2,50 for two consecutive semesters are disenrolled from the program. The courses taken within the scope of this program are substituted for primary major course requirements.
10. In order to be entitled to the Honours Program Certificate, the student needs to graduate from the primary major with a minimum of 3.00 GPA.
