

# INTERNATIONAL UNDERGRADUATE REGISTRATION PROCEDURES

## Step 1: Fill out the Application Form

Follow the announcements of the International Office and complete the online application form fully.

## Step 2: Check the Acceptance Letter

If your application is accepted, your acceptance letter will be sent to your email address.

## Step 3: Prepare the Required Documents

You can access the list of documents in the International Undergraduate Registration Guide on the website.

## Step 4: Complete your final registration in person

Come to the Başakşehir Campus on the specified dates and complete your final registration process.

## Step 5: Check your university email regularly.

All announcements will be made through the university email address assigned specifically to you.

## For detailed information and inquiries.
