

# INTERNAL TRANSFER REGISTRATION PROCEDURES

## General Information and Conditions

### Department Change Is Possible

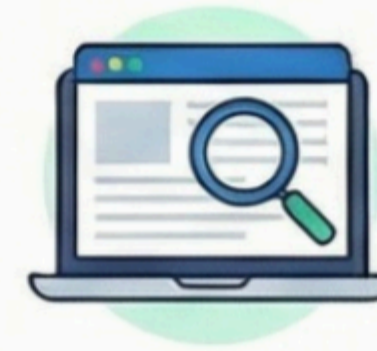

After enrolling in the university, you can change to a different undergraduate program.

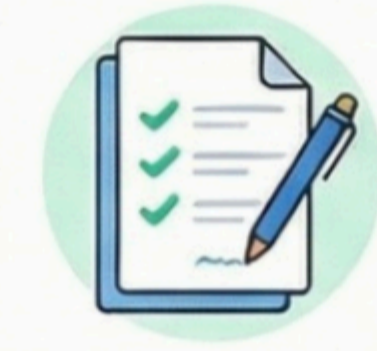

### Scholarship Rights Are Protected

Even if you change majors, the scholarship you earned upon entering university will continue.

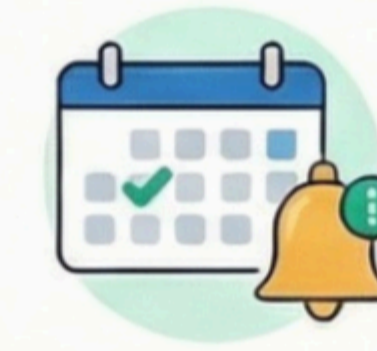

## Application Process

1) Check the Graduate School of Education website for current application requirements.

2) Complete your application by following the “Internal Transfer Guide” on the website.

3) Results will be announced on the Student Affairs web page under the “Announcements” menu.
