

Application for the Single Course Examination for Master's Thesis Programs

Requirements for Taking the Exam

Right to Take a Single Course Exam

This exam is offered to students who have only one course left to graduate or who will achieve the required grade point average with this exam

Timing

This right must be exercised no later than the end of the fourth semester.

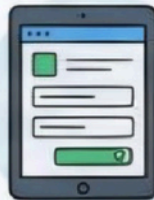

Mandatory Preconditions

Attendance requirements and completion of all in-semester assignments must be met for the course to which the exam will be taken.

Application and Results Process

1.

Step 1: Applying

The student completes their application by submitting an online application to the department head and making the fee payment.

2.

Step 2: Confirmation and Notification

The requests are forwarded to the relevant institute's board of directors for decision, and the decision is communicated to student affairs.

3.

Step 3: System Registration

A single-course exam registration is made in the student's name in the Student Information System (OBS).

4.

Step 4: Grade Entry

After the exam, the teacher completes the grade entry.
