*Integrated Program for those who applied with bachelor degree.

Note: The international candidates' admissions are conditionally, and their registration is valid if they satisfy the language proficiency requirements of the program and that the university graduated from is recognized by the Council of Higher Education. The undergraduate or graduate education completed abroad by the Turkish citizens is required to submit an equivalency certificate.

¹ Candidate is accepted with the condition that s/he should provide minimum English language score until registration period. If this requirement is not fulfilled in the registration period, s/he will lose the right of registration.

² Candidate is accepted with the condition that s/he should provide minimum English language score and ALES score until registration period. If these requirements are not fulfilled in the registration period, s/he will lose the right of registration.

³ Candidate is accepted with the condition that s/he should provide minimum Arabic language score and ALES score until registration period. If these conditions are met, 2 (two) semesters of English preparatory education will be given before the program courses. If these requirements are not fulfilled in the registration period, s/he will lose the right of registration.

⁴ Candidate is accepted with the condition that s/he should provide minimum Turkish language score until registration period. If this requirement is not fulfilled in the registration period, s/he will lose the right of registration.

⁵ Candidate is accepted with the condition of attending courses in English Language Preparation Program for 2 (two) semesters.
