

Arts Culture Sports

IBN HALDUN UNIVERSITY
ARTS CULTURE SPORTS

Culture - Art

In our complex, which serves as a living space contributing to socialization and cultural development, we organize various activities such as training sessions, workshops, conferences, talks, and excursions to help our students make productive use of their leisure time.

Cultural Activities: You can participate in many cultural events by following series like "Portraits," "Lens," "Student-Made," and "Culture Days."

Art Education: You can attend courses taught by expert instructors in fields such as Ud, Violin, Guitar, Baglama, Marbling, Painting, Illumination, Calligraphy, and more. Handcraft

Workshops: You can join daily, weekly, or monthly training sessions in areas like Decorative Woodwork, Gel Candle Making, Macrame Jewelry Making, Artistic Mosaic, Handmade Soap, and Fabric Painting.

For detailed information and registration, you can scan the QR code below.

Sports

In university life, besides maintaining physical and mental health through sports, it also contributes to the development of human values such as socialization, love, respect, tolerance, and patience. In our complex, we provide our students with the necessary sports facilities they need.

Sports Facilities: You can make use of outdoor and indoor sports facilities (Football Field, Basketball-Volleyball Court, Swimming Pool, Traditional Archery and Wrestling Area, etc.) free of charge on specific days.

IHU Rector's Cup: You can participate in individual (Traditional Archery, Darts, Billiards, Table Tennis, etc.) or team (Football, Volleyball, Basketball, etc.) sports competitions.

University Teams: Depending on your abilities in the sports branches determined by our university, you can participate in national or international competitions.

Sports Training: Under the guidance of expert coaches, you can specialize in disciplines such as Fitness, Pilates, Wrestling, Traditional Archery, Taekwondo, and more, and maintain a healthy body.

Sports Activities: You can participate in day trips to activities such as Hiking, Horseback Riding, Canoeing, Cycling, Rafting, Ice Skating, Skiing, Nature Camping, Orienteering, and more.

For detailed information and registration, you can access the QR code below.

Student Clubs

To bring your social, sports, artistic, or cultural activities to life, you can establish a new club or join an existing club to participate in projects and events that generate social benefits.

Student Club Establishment Procedures: You can access all the necessary information to bring your projects, events, and activities to life in this section.

Existing Club Procedures: You can access information about your club's management processes and necessary update documents in this section.

Our Clubs: In this section, you can obtain detailed information about the clubs and request membership.

Event Support: You can access the management processes and relevant forms for events before and after in this section.

For detailed information and contact, you can use the QR code below.

Hobby Gardens

Ibn Haldun University Campus is in harmony with nature with its environmentally friendly structure. Our campus brings the IHU community together with various shades of green thanks to its vast green areas and rich vegetation. It also offers a great opportunity for members who want to engage with the soil and grow plants with the possibility of hobby gardens.

You can find detailed information about the use of hobby gardens through the QR code below.
